**Local Realtor Offers Seminars to Help
Home Owners Sell Their Homes in a Buyers Market**

BRIGHTON, MICHIGAN, January 15, 2009—Keller Williams Realtor, Marge Sells, will be sharing practical home-selling advice with Livingston County residents who want to get their houses sold, despite the current buyers' market. "Gary Keller, one of the founders of Keller Williams and a very successful Realtor, states that pricing and home staging are what sell homes in this shifting market," says Sells. National statistics show that staged houses sell twice as quickly as unstaged homes. As part of her seminar, "Tune Up Your House So It Goes Faster", Sells has teamed up with Kathi Presutti, owner of leading local home staging company, RE:STYLE LLC, to present home staging tips and suggestions, along with Sells' insights on pricing and selling in today's markets. "I have used RE:STYLE to stage because I know that a professionally staged house shows so much better," says Sells. "Having that competitive advantage makes all the difference." Sells will hold the first seminar on Monday, January 26, 2009 from 6:30 PM to 7:30 PM at the Keller Williams Brighton Market Center, 1005 E. Grand River, next to Taorello's. She will continue the series on the last Monday of the month through April. For more information, call Marge Sells at 810-599-5430.
